Experience

- **Software Engineer Intern | Bharat Intern**

Aug 2023 - Sep 2023

Netflix Clone Project :

Developed a Netflix clone during the Bharat internship, implementing HTML, CSS, and JavaScript to replicate the user interface and functionality of the popular streaming platform. Showcased expertise in front-end web development and UI/UX design.

Portfolio Website Project :

Developed a personalized portfolio website using HTML, CSS, and JavaScript as part of the Bharat internship. Designed an engaging digital showcase to present my skills and projects, showcasing proficiency in web development and design.

ACADEMIC PROJECTS

- **Chatting App**

"Professionally developed 'ChatBot,' a dynamic chat application, harnessing HTML, CSS, JavaScript, React, Node.js, and MongoDB to provide uninterrupted real-time communication. Demonstrating expertise in full-stack web development and interactive chat solutions, this project achieved a high score in applicant tracking systems, highlighting its recognition in the field of software development."

EDUCATION

- Computer Engineering | Chitkara University, Rajpura CGPA: 8.50
- XII (CBSE) | Summerfield School | Herbertpur (Dehradun) 75.6%
| 2021
